

South Gardner Sept 3. 1851

J. B. Pierce Esq.

Dear Sir,

Your with
information regarding my ancestors
was duly received, for which
I enclose you \$3. I shall confer
with Mr. Hulme at Fitchburg soon.
it is but ten miles from here,
I shall also write Mr. Charles Brown
and possibly may come down this
season. My object in looking
up my Descendants is simply
one of curiosity. Some a desire
which we all have to know
from whence they come.
It seems the Lechles Browns were
and all quite numerous.
I have a Grandson, Charles,
had a Brother, and he a Son

Charles, My Father was Charles
Borne in Thompson et- ~~in Aug 6th~~
1790. his Father was Charles, born
Aug 6th 1759. his Father Alexander,
was the Son of Charles, whose Estate
he and his Mother Eliza, settled
and the last- mentioned Charles
was, it seems, the Son of Beniah.
If you ascertain anything more
in regard to the Family let
me hear from you,
and I will pay you for your
trouble, for what you will
do I am very gratefull.
After consulting Mr. Holman,
will write you again.

Yours &c
L. W. Brown
